Budget:

The projections would result in one less 2nd grade classroom, one more 4th grade classroom and one less 5th grade classroom.

The following changes were proposed for the budget:

- Funding 2 days for the social worker (Mental Health)
- Funding 3 days for the psychologist (Mental Health)
- Requesting budget relief for remaining two days of Mental Health (Request was granted.)
- Cut 1 Library FTE position
- Cut one 2nd grade position
- Increase one 4th grade position
- Cut one 5th grade position
- Reduce GT to itinerant.25
- Reduce 1 Paraprofessional

The committee voted to approve these proposals and there were eight who voted yes and one that abstained. Mr. Babb took proposal and relief requests to the budget meeting where he was granted the relief requests.
